

Take advantage of your upgraded benefit

We have some exciting news! Your Alight Advocacy services have been upgraded. You now have a personal Health Pro[®] consultant ready to assist you and your family. Let your Health Pro take the hassle out of healthcare, so you can spend more time on what matters most.

Understand your benefits

Clear up any confusion about your health plan.

Verify care coverage

Get help verifying coverage before your appointments.

Transfer medical records

Need your medical records transferred? We got you covered.

Resolve billing errors

Have questions about your medical bills? We can help!

Schedule appointments

Have your appointments scheduled at times most convenient for you.

Note: Have you already contacted your carrier for assistance? If you are unable to resolve your issue through the carrier, simply contact your Health Pro!
