

Steps to Benefit Enrollment Success!

Open Enrollment runs from Monday, November 4 through Friday, November 15, 2024. Don't miss your chance to select your benefits for 2025. **You must take action and enroll no later than November 15, 2024, either online (by 11:59 p.m. Central Time) or by phone (by 6:59 p.m. Central Time).** We encourage you to take the time to research your options and follow the steps below.

1. Get prepared by visiting the Make It Yours website, your benefits information hub.

2. Be aware of key considerations for your 2025 benefit selections, including:

- The benefit offerings for 2025 are generally the same as those for 2024, but be sure to check the provider networks and how the carrier(s) will classify any prescription drugs you or your family may take—as these can change.
- Your share of the premium cost may have changed for 2025, so review each plan carefully to determine the best fit for you and your family.
- TRIUMPH will continue to provide wellness credits in 2025 for those employees who completed their health screening. The enrollment system will reflect any credits you and your spouse have earned for 2025.
- TRIUMPH will continue to provide Excess Credits with Bronze and Bronze Plus plan options. However, not every Bronze or Bronze Plus option comes with Excess Credits. Be sure to check the enrollment website to learn which of your plan options come with Excess Credits.

3. Enroll through the TRIUMPH Group Benefits Center.

TRIUMPH provides a video featuring the step-by-step process for enrolling. Starting November 4, you can access the video by clicking on the **How to Enroll** button when you log into the **TRIUMPH Group Benefits Center** website to enroll. If you don't take action and enroll by the close of Open Enrollment, you will not have medical, dental, or vision coverage through TRIUMPH next year. Keep in mind, if you don't elect medical coverage, you won't have prescription drug coverage, either. And, to contribute to a tax-advantaged spending or savings account (FSA or HSA), you must make an active election.
